Come play with us!

June 26th-29th 2003 at **Origins** • OriginsGames.com
Columbus Convention Center • 400 N High Street, Columbus, OH 43215

The Lab: A corner of Origins where you can hang out and play Looney Labs Games with Mad Lab Rabbits from all over. 56 events! Full time demo space! 16 tournaments! Crafts! Seminars! Giant pyramids! One low admission cost for everything going on in the lab when you buy a Big Experiment Ribbon!

The Rabbits: Mad Lab Rabbits are really big fans of the games published by Looney Labs... and Origins has been invaded again this year by rabbits in lab coats! Follow a rabbit back to the lab and they'll teach you how to play a new game or two! (Careful, some are werewolves...)

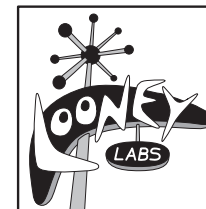

The Medallions: Come compete in our tournaments and you might take home one of over 30 beautiful colorful medallions! One or more medallions will be awarded for each of the tournaments listed in this schedule. □
